PROFESSIONAL EXPERIENCE

Director Marketing Technology | Slicky Media

2023 – Present

- Monitor marketing performance and analyze data to drive data-driven decisions across the marketing function.
- Own vendor relationships and oversee technology integrations across the marketing stack.
- Determine technology budgets, allocate resources, and monitor spend against plan.
- Develop and implement marketing strategies that increased website traffic 40% within 6 months through SEO.
- Drove 30% growth in conversions through paid advertising campaigns across multiple platforms.
- Collaborate with cross-functional teams to build and implement integrated marketing campaigns.
- Plan and organize marketing functions and operations, ensuring a unified brand voice across channels.
- Manage brand positioning and enhance overall customer experience.

Digital Traffic Manager | Like Digital & Partners

2022 – 2023

- Ran efficient scheduling for eCommerce and CMS platforms (Sitecore, Magento, Prismic, Shopify) for remote teams across the UK, UAE, and other regions.
- Oversaw internal technical projects and led team reviews with the CTO and Technical Lead.
- Drove process improvement initiatives and established department best practices.
- Managed departmental budget and supported recruitment efforts and business case development.
- Led technical review of FSD/BRD documentation for CMS software including Shogun and ContentStack.

Operations & Traffic Manager | Create Group

2020 – 2022

- Managed operations and traffic functions across UAE, KSA, and Egypt teams.
- Ran daily planning, management, and scheduling of all creative and copy resources for delivery across client projects, social, digital, content, and media.
- Optimized resource schedules, improving team efficiency by 15% while ensuring clarity for account management and creative teams.

- Managed freelance teams/individuals supporting the Head of Operations, including contracts, fees, onboarding, and bookings.

Remote Marketing Manager | M Square Media (MSM)

2019 – 2021

- Managed multiple Canadian college partners remotely, focused on domestic student growth in Canada.
- Directed a remote Philippines-based team executing paid ads, social, email marketing, and SEO.
- Built content themes for social, paid, and email campaigns; analyzed ROI and consumer data to adjust campaigns.

Public Relations Specialist / Content Marketing Manager | Vuuzle TV

Jan 2020 – Jul 2020

- Managed OTT content marketing strategy and goals for Live TV in partnership with strategic partners.
- Led content marketing initiatives to hit business targets for a premium streaming service.
- Created audience-driven content and optimized the path to conversion.
- Owned content operations, distribution, and performance measurement.

Senior Technical Project Manager | MRM McCANN

2010 – 2019

- Owned website planning, costing, and digital media production for enterprise clients.
- Managed client expectations, ensuring delivery of the highest quality service.
- Monitored project risk and scope creep to proactively flag potential issues.
- Led the digital team alongside business partners through successful campaign launches.
- Partnered closely with client-facing managers and developers on technology projects.

Senior Product Designer | Crystal Gallery

2003 – 2009

- Designed innovative 3D layouts for customized crystal products using the latest design technology.
- Achieved retail and corporate sales targets, growing sales year over year.
- Provided project support for kiosk design and installation across multiple retail outlets.
- Trained and mentored colleagues on the product development process.

International postings: relocated to Singapore (2008) and Muscat (2005).
